## Announcing our Facility Relocation!

New Address as of November 14, 2011

### **WE ARE MOVING!**

We are pleased to announce that as of November 14, 2011 our headquarters will be moving near the Reading Airport-- only 5.8 miles away from our previous location.

Advantages of our new facility include:

- Four times our current square footage to accommodate current and future client needs.
- More efficient layout to keep operating costs down, and ultimately, keep prices competitive.
- Easy access from the highway, only 1/2 mile from Route 222.
- More parking accommodations for our walk-in guests.
- Only 5.8 miles, or around 10 minutes, from our previous location.

As a result, **OUR OFFICE WILL BE CLOSED Friday, November 11 through Monday, November 14.** We will accept emergency samples, but routine sampling for those days will be rescheduled. Our Project Management Team will work with you to reschedule any regular Friday or Monday sampling events. We apologize for any inconvenience and thank you for your continued support.

### **Please Update Your Records. Thank you!**
